From Clube VII to Club 7

We move to embrace the name most commonly associated with the club. This is the name most members and friends use to refer to the club.

English becomes our primary language for global communication, as it lends inclusivity and approachability. A common ground for all.

The transition from VII to 7 symbolizes a sleek and universally appealing transformation. We take pride in our heritage, and we are eager for what's to come.

Off Everything Else

25 years young A new set arrives

We opened our doors as a tennis club in 1997. 25 glorious years later, standing as the heritage sports, rackets, and wellness resort in the heart of Lisbon, we turn the page - and grow further. An inspiring place where you can relax, energize and breathe in. Welcome to club 7.

A driving purpose

Club 7 is more than just a space; it's a sanctuary crafted to inspire our members to evade the stress and daily concerns, immersing in what they love most. Challenge, competition, sports, relaxation, fitness. It all contributes to an experience that indulges senses and offers the perfect escape.

Nestled in nature's embrace, our clubs offer a tranquil haven where members can dedicate themselves to health and wellness, free from distractions.

A vibrant social hub where people can unwind, connect, and simply relish in the moment—a place to disconnect from the outside world and focus on the simple pleasures that truly matter.
